

Your Partner in the Czech Republic and CEE

/ Excellence & Entrepreneurial Thinking

The Prague Office in brief

Our experts in Prague offer effective, entrepreneurial, results-oriented and innovative advice and are well equipped to deal with complex situations. By creating a team for you and your project, led by experienced legal professionals integrated with other specialist colleagues from other legal disciplines, such as tax law, together we will achieve the best result with any transaction and projects you face. Listed groups and multinational companies, large and medium-sized family businesses as well as financial institutions and international investors rely on our advice.

Teams & Industry Knowledge

Our clients benefit from our integrated legal and tax advice. Based on clients' requirements, we establish working groups comprising colleagues from other branches and cooperating offices, enabling us to provide the best solution for each project. The scope of our advice covers all areas of business law.
